“ Dear family Art, was a special and dear friend to myself and my daughter, his years in Lunenburg Vt till 2002 were full of dinners, projects and laughter, He was everything to us and we do not know what we will do without his presence here on earth - we loved him as dearly as family - we morn his loss and welcome visits or conversation with any of his family - He was a one of a kind gentleman and true friend. Kris

I am so sorry for your loss and my own - although Art would say to give Thanks and not grieve but to look forward and love life- for today is not a dress rehearsal and you only get to go this way once - smile and know he loved you.
